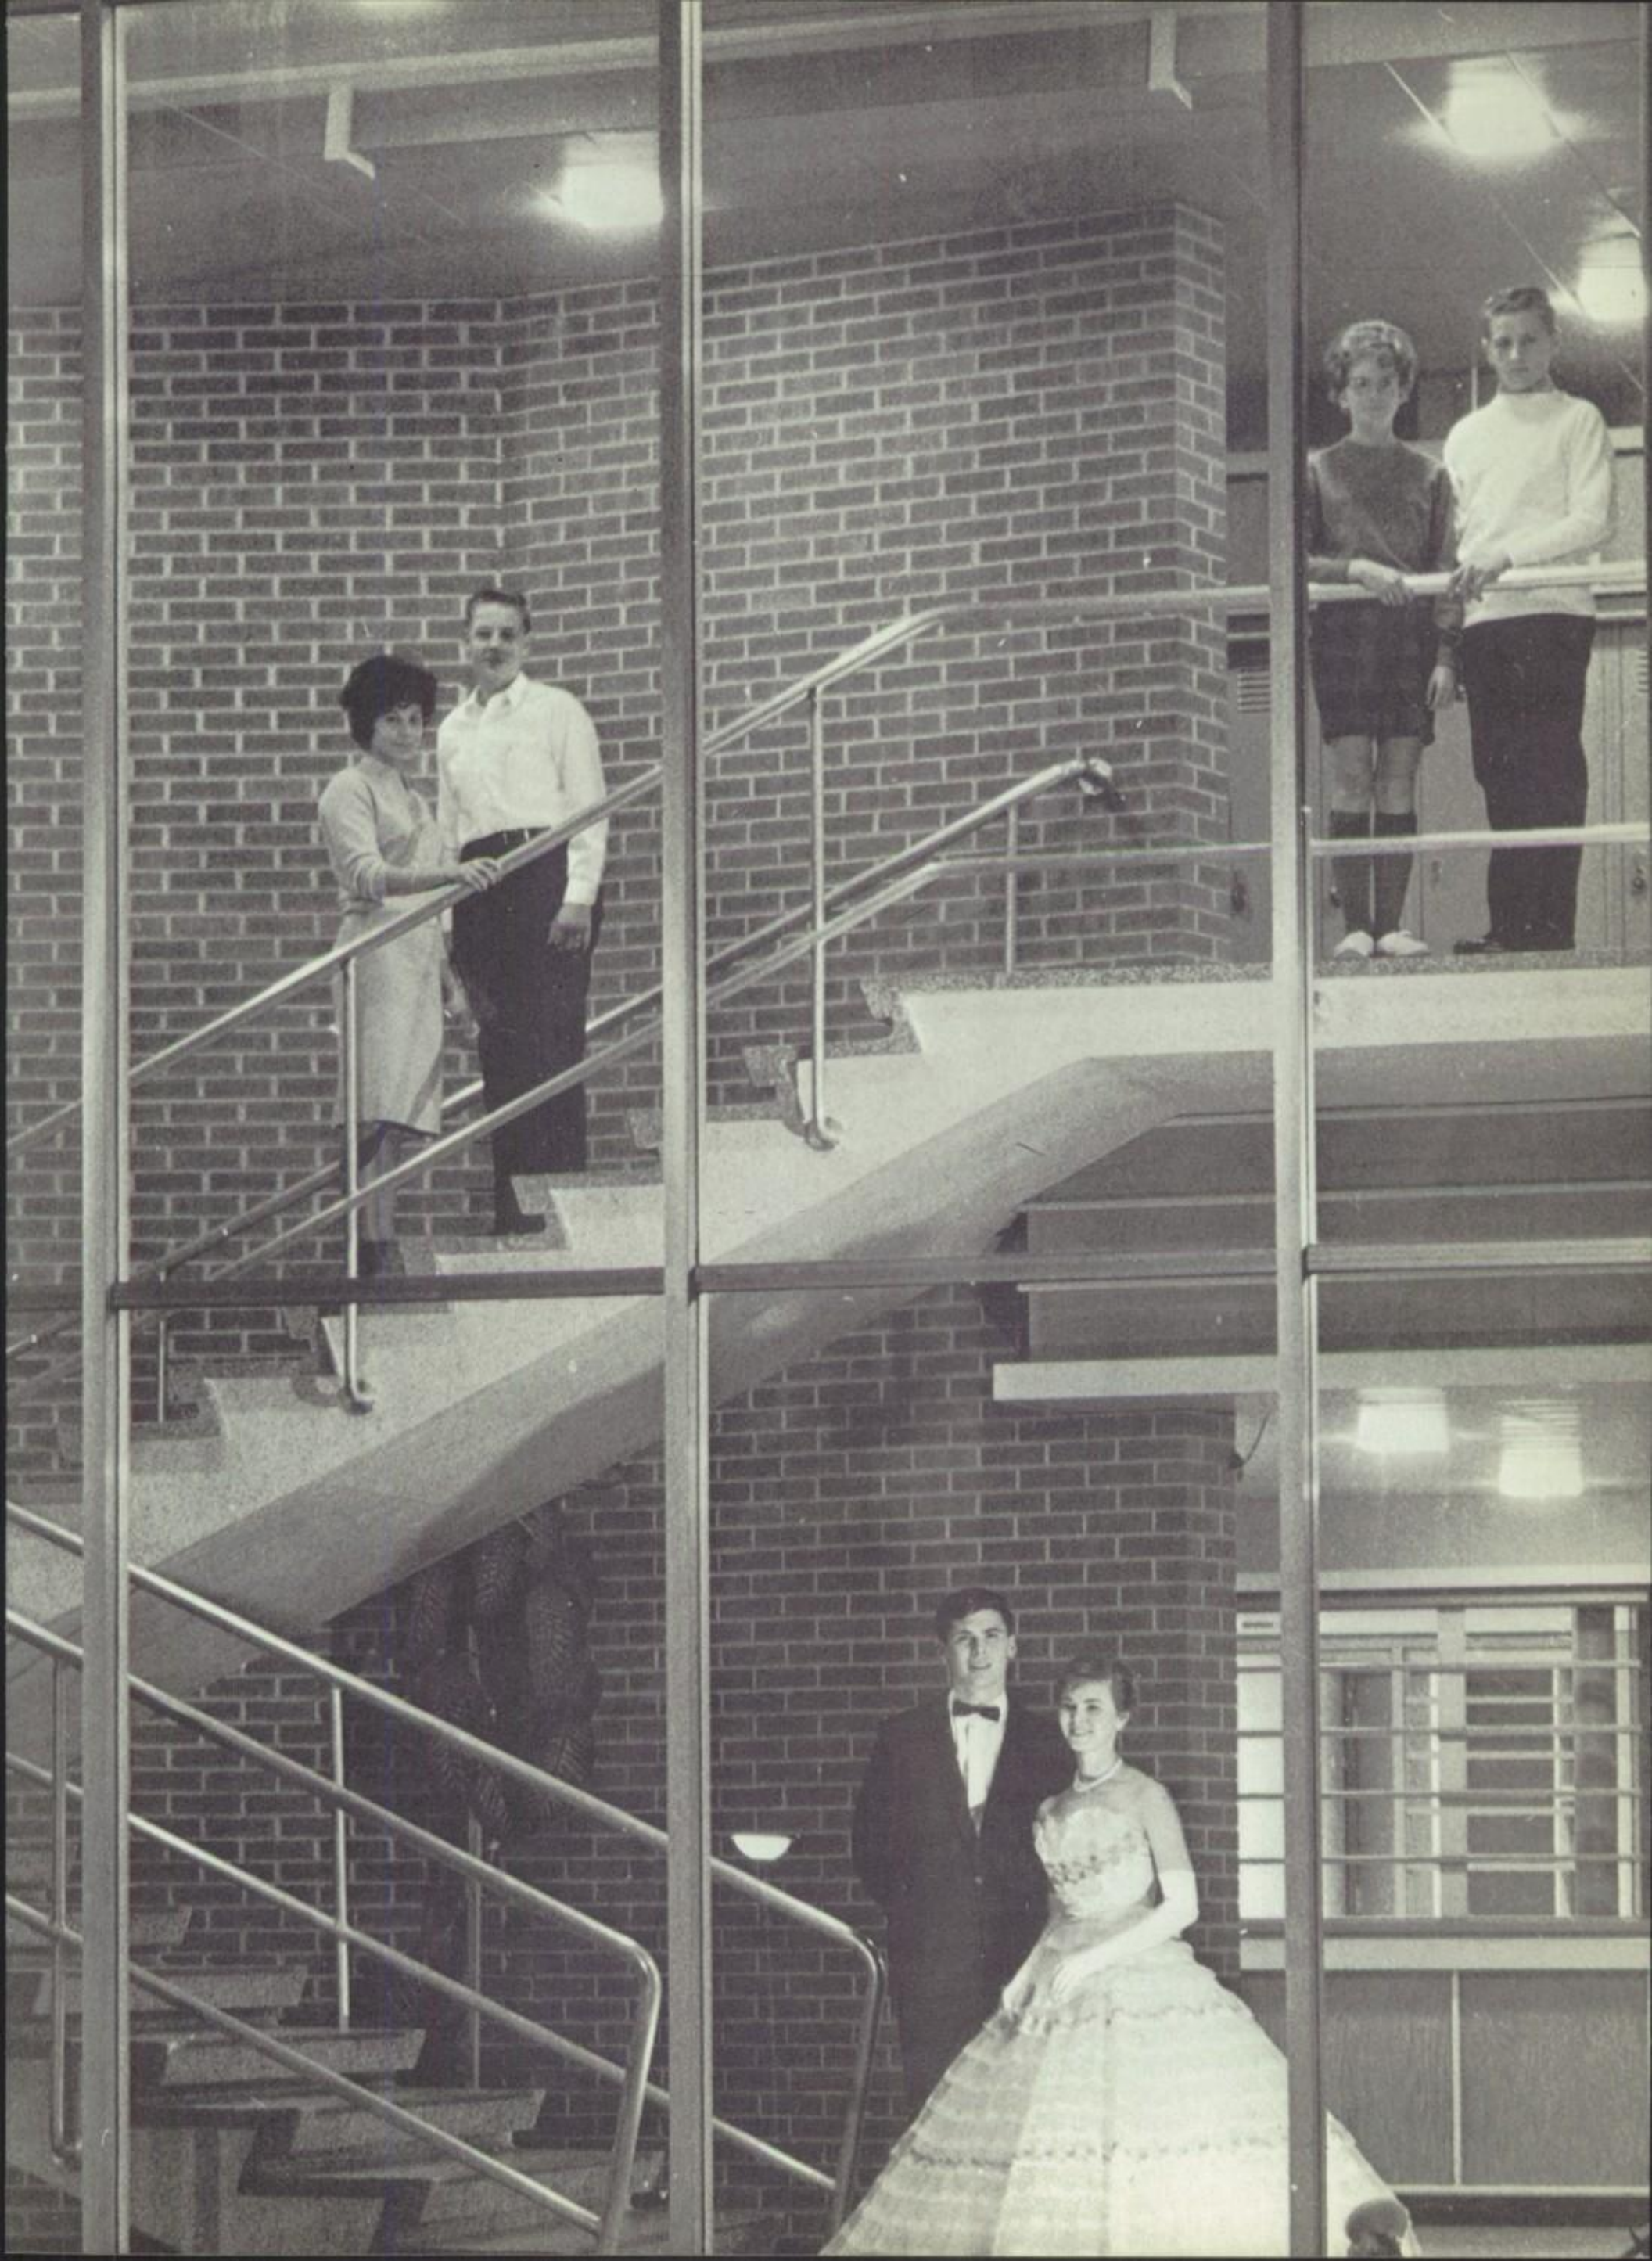
Foreword

● Based on the popular stage play, "West Side Story," the 1963 Annual 'W' depicts students and faculty of both campuses working as one school. There is competition and there are differences, but there is also teamwork and cooperation.

As we look back on this past year, we will relive every activity, every class. Each campus, each classroom, each new friend is a part of our story. It is the story of two campuses, one school — the East and West Side Story.



● Just as there are juniors and seniors at East there are freshmen and sophomores at West. Being younger in years than those at East, each student strives to accomplish what the classes ahead of them have achieved. West Campus is the beginning for these young adults in telling the East and Westside Story.

● East Campus makes up only one half of the East and Westside story, the junior and senior half. Without West, East cannot thrive and without East, West cannot thrive. Working side by side is our means of prospering. Both campuses, though separated by distance, work together as one to tell the East and Westside Story.

Superintendent Paul C. Burke

● To the class of 1963, I should like to express the best wishes of the Administration, Board of Education and Faculty. Yours has been an outstanding class! Your accomplishments have been well documented in this Annual. In the years ahead, you will find many hours of pleasure in reviewing the history of your class as reported here.

Before you depart, may I urge you as you reflect on your years at WTHS to be mindful of the contributions of your parents and other adults to your education. In the future you will be called upon to make your contribution also. Do it willingly and well, so that your children can have the best education possible. America's continued strength will depend upon the quality of its educational program.

Through Leadership Our Faculty Guides Us Into

ABOVE, WEST CAMPUS FACULTY LOUNGE. Shown in the faculty lounge before the class day begins are from left to right James R. Desormey, James J. Whalen, James H. Hawthorne, Virginia C. Hinds, James D. Schneckloth, Judith A. Tucker, and Seppo I. Aarnos.

● Teachers take time out of their busy schedules at both East and West campus to discuss the many problems that arise during the day. Lunch period is also a time for visitation. East Campus has separate lounges for men and women; therefore, before school and the lunch hour are the best times for joint meetings. West Campus teachers have a combined men's and women's lounge which gives them a better chance for informal visitation.

BELOW, EAST CAMPUS FACULTY CAFETERIA. Lunch period is also a discussion period for these active East Campus teachers. Left to right around the table are Barbara H. Fettinger, Jayne E. Lewis, Rachel L. Weaver, Ronald R. Luteyn, Lester L. Larsen, Paul A. McNamee, and Marjorie A. Cary.

Seniors Close Book on East and Westside Story

● The first graduating class to complete two years at West Campus and two years at East Campus is leaving the hallowed halls of WTHS after four years. We will always remember our feeling of security as Freshmen, facing the challenges, as well as the good times, of our high school days. The class officers planned our freshman and sophomore class parties, but the highlight of our four years was our Junior Prom in 1962.

Our junior year also marked the arrival of our class rings. The fish fry and car wash proved to be great success in raising money for prom and post prom. On May 15th, the magic night arrived and 200 couples danced under "Italian Moonlight." When dawn came the couples moved on to Waukegan Inn for their post prom, which concluded a night that will long be remembered.

Faculty guidance was supplied by Mrs. Coleta Wright and Mr. Jack Mallory. As Seniors, aware of our futures, we began studying job opportunities and college situations through counselling, College Night, and Career Day. The Senior Banquet was held at West Campus cafeteria. "The Diary of Anne Frank," the Senior Class Play, was put on under the direction of Mr. Earl Sherman.

During their four years of high school, the graduates of 1963 have written four chapters in the East and Westside Story. The story was started when we were Freshmen and finished when we stepped down as Seniors. We wrote this story together, but after graduation, each graduate will write his own story, page by page. Each will be a different type of story, but all will be successful.

ANNUAL COLLEGE NIGHT. Mrs. Marie Beatty, college counselor, looks on as Mr. and Mrs. Ross discuss Bob's future plans with the representative from Simpson College.

Their Destination — to Write a Success Story

● Four WTHS seniors, William Patton, Sandra Lehtimaki, Deanne Dragunas, and Karen Berg, were among the semi-finalists chosen in the 1963 National Merit Scholarship Program. They attained this semi-finalist status through high scores on a qualifying examination. The names of all who achieved semi-finalist status in the competition were published in a booklet which was distributed to colleges and other sources of financial aid. Each semi-finalist now has a chance to win a four year scholarship to the college of his choice. To win the scholarship they must qualify on a second test and become a finalist. Merit Scholarships are four year awards and carry stipends that range from $100 to $1500 a year. The National Merit Scholarship Corporation has contributed direct financial assistance to 5,000 students. The runners-up have been honored for their high performance on the test given last spring. The National Merit Scholarship program has been going on for a number of years and many graduates from WTHS are at present studying under its provisions. The class of 1963 and the administration are proud of the four WTHS students who qualified as semi-finalists this year.

BIG DECISIONS. The representative from University of Illinois College of Nursing talks with Gaja Giniotis and Mrs. Giniotis about the possibilities of this college. Listening in on the conversation is Mrs. Marie Beatty.

WE'RE MAKING PLANS. These smiling Junior Class Officers are from left to right; Fred Martin, president; Kathy Geske, secretary; Janet Plaushines, treasurer; and Glen Turpoff, vice-president. Being the four prominent students they work hard to make their class one of the best.

Juniors Eager to Plan for the Final Chapter.

The Juniors have now tasted a part of the Eastside as well as the Westside story. Some of the important events of the year were the car wash, the fish fry, and the record dance which was held to earn money for the highlight of the year, the Junior Prom. All events were successful and speak well for the class committees who headed the projects.

This year's class officers were: Fred Martin, president; Glenn Turpoff, vice president; Kathy Geske, secretary; Janet Plaushines, treasurer; and Mickey Rocknich, prom chairman.

Another marked event of the year was the arrival of the class rings. The ring which the class of 1964 voted in favor of has now been adopted as the standard ring for WTHS.

Also three students were selected as possible candidates to participate in the American Field Service program. They are: Kurt Keeley, Robert Barnett, and Marc Morrison.

With the year now having ended on a happy note, the Juniors are looking forward to their senior year, which will be their last contact with the East and Westside story.

This was a typical meeting of all the committee chairmen for the Prom activities. The committee chairmen are: Mickey Rocknich, General Chairman; Cindy Brumund, Jim Wigginton, checkroom; Karen Hutnik, Arvin Kaspairtis, clean-up; Cheryl Krumery, Mike Koch, coronation; Linda Meyers, Bob Barnett, Publicity; Kirsti Idstrom, Bob Koshkarian, refreshments; Jamie Catlin, Dick Curlee, music; Janice Geryol, tickets and invitations; Janet Plaushines, Finance; Al Brauch, Pat Malek, Pat Kolehma, and Nancy Krainc, Programs and invitations. Not present were Denny Staats, tickets; and Bill Hart, Decorations chairman.

This is one of the fondest memories that a girl or boy looks back on after they have finished school.

HELP SAVE OUR JUNIOR PROM! That was the cry of the eager juniors who took part in washing cars last November. Here these girls work on one of the many cars washed during the day. The earnings from this car wash went toward the 1963 Junior Prom.

Above, SOPHOMORE CLASS OFFICERS. David Cypcar, Student Council representative; Eldon Shamlin, vice president; Martha Robertson, secretary; Louis Anderomidas, president; Tim Drew, treasurer take time out from their busy schedules to help publicize their class.

Sophomore Class Looks Forward to Entering East

● With the distinction of being the largest class ever to enter W.T.H.S. As Sophomores we still have an enrollment of nearly one thousand students.

Even though we are looking forward to becoming upperclassmen and entering East Campus to begin our Eastside Story, we will close our Westside Story with many memories. Among these happy events was our class party, "The Monster Mash." Due to the efforts of our class sponsors, Mr. Walter Rucks and Mr. Thomas Jacobson, and the members of our class, the party was well attended and very enjoyable.

Now that our Westside Story is ending and we have had the excitement of ordering our class rings, electing our Junior Class officers, and beginning to plan for our Prom, we can see that our Eastside Story will be equally enjoyable.

YOU WIN, YOU'RE THE UGLIEST! Tom Jacobson, center, congratulates Sue Dietmeyer, left, and Jim Bitterman, the winners of the costume contest at the sophomore party, "The Monster Mash."

FRESHMAN CLASS OFFICERS. Kenneth Dieck, president; Sally Owens, vice president; Marianne Burke, secretary; Marcia Wilder, treasurer; and Susan Savel and Patricia Keber, Student Council representatives pose in their class letters for the East and West Side Story.

Freshmen Finish First Year of Westside Story

● The Class of 1966 entered West Campus last September and has already distinguished itself as a promising group.

The large turnout of class officer candidates exhibited our interest in the welfare of Campus students. When Kenneth Dieck was elected President, Sally Owens, Vice-president; Marcia Wilder, Treasurer; and Marianne Burke, Secretary, hard feelings were few, for everyone was awaiting the class party, "Surfin' Safari." Most of the students arrived in costumes typical of the event. With the aid of our counselors, Miss Jesse Whyte, Miss Rosemary Sculati, and Mr. Carmon Bixler, as well as the many faculty members who graciously gave their time, the party was an enjoyable affair.

In the maze of halls and doors, we met many old friends and encountered new ones. The addition of these friends has begun the foundation for many long-lasting friendships.

The Class of 1966 has begun its first chapter in the East and Westside Story. The first year at W.T.H.S. will always be remembered for it has given us new and exciting experiences.

LET'S KEEP BUSY These industrious freshmen made up the decoration committee for the freshman party. They are from left to right; Pat Drinka, Polly Boegan, Sally Owens, Betty DeYoung and Carol Macaitis.

SCHOOL AT WORK

Yearbook Staff Compile Records for Posterity

Above, ANNUAL "W" STAFF. Left to right, **ROW 1:** Tari Rivett, Kathy Rompella, Pat Falvey, Audrey Anderson, Bernis Hermanson, and Pat Danielson. **ROW 2:** Mike Decker, Jody Kundert, Roger Kirkland, Andi Marsh, Donald Kirby, Jeff Latz, Marilyn Flowers, Robert Clarke, and Barbara Farella, Editor. Not in picture: Shirlee Eimerman and Jeff Fryman. Faculty sponsor of the yearbook is Mr. Edwin C. Meslow. The staff meets daily throughout the school year.

At left, PLANNING SESSION. Mike Decker, Shirlee Eimerman, Marilyn Flowers, and Audrey Anderson are discussing layout plans for the Annual with the editor, Barbara Farella. Many hours of planning and checking go into the preparation of each page of the yearbook.

At left, SUBSCRIPTIONS ANYONE? Jody Kundert, Kathy Rompella, Pat Falvey, and Tari Rivett are working on subscription records. All subscriptions are processed by the Annual Staff after having first been cleared by the business office. The bulk of the subscription sales are taken care of during the fall sales drive conducted in the homerooms.

Annual "W" Enhances In Value As Years Roll By

Above, PHOTOGRAPHERS ON THE GO. Making final plans for a picture-taking session are; Pat Danielson, Andi Marsh, Jeff Latz and Jeff Fryman. The hundreds of pictures which appear in the yearbook are planned, taken and processed by the faithful camera staff.

At left, TYPE, TYPE, TYPE. Typing out the final copies for these pages are, Pat Falvey and Marilyn Flowers. Barbara Farella is supervising the work. All copy material for the yearbook must be typed in duplicate and then carefully copy read before being submitted to the printer.

At right, SPORTS STAFF. Shirlee Eimerman helps Bob Clarke arrange the pictures for the sports section of the book. The yearbook becomes a ready reference for records of all WTHS sports events over the years.

Busy "W" World Staffers Cover Both Campuses

Above, "W" WORLD STAFF. **SEATED** from left around the table are: Effie Rhyan, Gloria Pileri, Nancy Johnson, Mary Schwartz, and Pat Palmer. **STANDING:** Tami Pickus, Diana Dupin, Bette Cretan, Mary Robertson, Theodosia Hoard, Candy Porett, Lynda Gardner, Ann Barnas, Nancy Rose, Bill Weber, Kathy Geske, Janice Geryol, Ben Cervantes, and Doug DeThorne.

At left, PAGE MAKE-UP. After these girls arrange the stories on the page and write the headlines, the dummy sheet they are working on will be the model for a page of the "W" World. From the left are Gloria Pileri, copy editor; Diana Dupin, editor-in-chief; Bette Cretan, managing editor; Pat Palmer, feature editor; and Tami Pickus, news editor.

At left, DISCUSSION GROUP: Discussing the week's paper are "W" World reporters, Lynda Gardner, Janice Geryol, and Kathy Geske.

Neophyte Journalists Keep Students In The Know

Above, BUSY PEOPLE: Talking on the telephone, Nancy Rose, reporter, gets a news story while Mary Robertson, reporter, takes down the information. Busy at the filing cabinet are Ann Barnas, left, and Theodosia Hoard. Ann is assistant feature editor and Theodosia is assistant business manager.

Above, SPORTS EDITORS: Sports Editor Doug DeThorne pounds out a story on the typewriter while Bill Weber, assistant sports editor and photographer, looks on.

● Room 144 is the headquarters for the reporters who gather news for the Student "W" World. During seventh period every day, this room is a beehive of activity. Typewriters clatter as the staff members write their stories. The telephone rings when businesses call to place ads with the staff advertising salesmen. Editors check the stories and get the paper ready for printing. Others are busy wrapping and rolling the finished papers for mailing or delivery in the homerooms.

Every week these activities are repeated for each new "W" World. The staff, which covers the news of both East and West Campuses, each week gathers the latest news on social events, sports, students, faculty, and civic affairs which affect the school.

On Thursday, deadline day, these stories are sent to a commercial printer to be set in galleys. On Monday, make-up day, the galley proofs are placed on "dummy sheets," and the headlines are written. Before the "dummy" is sent to the school printshop, "W" World advisor, Mr. James Yoggerst checks it. The boys in the vocational printing class print the paper with the help of the "W" World printing advisor, Mr. George Brown. After they finish printing the "W" World, it is distributed in the homerooms on Friday.

At left, PRINTING JOB. Each issue of the "W" World is printed in the school printshop by the boys in the vocational printing class. Watching an issue roll off the press are, from left: Candy Porett, advertising salesman; Nancy Johnson, business manager; and Ben Cervantes, advertising salesman.

Student Council Coordinates Campus Activities

Above, STUDENT COUNCIL OFFICERS. Practical experience leadership responsibilities are gained by Council officers. 1962-1963 Officers are: Larry Schad, president; David Cypcar, vice president; Bob Holmberg, treasurer; Judy Nellins, secretary.

Above, PLANNING SESSION. Officers and class representives work together to plan class council meeting. Through this media Council is made aware of student opinion. Left to right: Bob Holmberg, Glen Turpoff, Larry Schad, and Janice Winters.

● According to its constitution, the purpose of Student Council is to provide an opportunity for student participation in student affairs, and to provide experience and practice in the skills of democratic action. Council members strive to create and maintain standards of good citizenship among students, and to further policies for the betterment of the school.

In reviewing the activities of Student Council, it is to be kept in mind that their purpose is two-fold: to serve the interests of the student body and to serve as a learning device for Council.

Activities of the 62-63 Council included: a welcome party for transfer students, an after-game dance, Recreation Night, a Leadership Conference, the Talent Show, the Turn-about dance, the sale of student supplies in each campus book store, providing Christmas decorations, chairing of all assemblies, and the Homecoming activities.

National Education Week was brought to the attention of the school, and a number of outstanding assemblies were planned by Council members. Council gives students opportunities to participate in international programs. Through the Foster Parent Plan, WTHS students have "adopted" two needy children abroad; the American Field Service student exchange program is supported by Council. In the summer of 1962, our Council was represented by Mary Schwartz, a Junior Class Representative, in the European trip sponsored by the National Association of Student Councils.

To broaden their knowledge of Council philosophy and purposes, and to become more cosmopolitan in point of view, the WTHS Council holds membership in the National Association of Student Councils, the Illinois Association of Student Councils, and the Northeast-Northwest District of the IASC as well as its Suburban League sub-district.

Below, JOINT SESSION. The two campus groups work toward common goals by holding weekly joint meetings. At left is Mr. Sam Filippo, West Campus sponsor, and in right background, Miss Eleanor Moore, East Campus sponsor. Student members, reading clockwise from lower left are: Loren Leskis, Sue Savel, Jim Bitterman, Glen Dahlbacka, Ridwan, Janice Winters, Larry Spiers, Larry Schad, Judy Nellins, Bob Holmberg, David Cypcar, Audé Mottier, Glen Turpoff, Tim Drew, Carol Van Deusen, Mary Schwartz, Kathy Lerche, Marc Morrison, Dewayne Shamlin, Ken Dieck. Backs to camera: Mary Ann Burke, Marty Robinson, Sally Owens, Marsha Wilder, and Pat Keber.

● Modern Music Masters is an international organization of persons interested in promoting music on the secondary school level. The local chapter III, was established in 1954 by Mr. Leslie Gilkey, head of the music department at WTHS. The officers this year are Bob Bixler, president; Mike Huges, vice-president; Pat Render, secretary; Ellen Baker, treasurer, and Mary Kolman, historian.

Junior members are selected each year on the basis of scholarship, character, cooperation, leadership, and service. A three-point average academically is required besides at least one year of participation in a WTHS music function. The membership this year is twenty-five.

● Each year a number of students get enjoyment from singing in the choral groups at WTHS. At West Campus, Mr. Adee, new on the music staff, directs mixed homeroom choruses besides a girls' chorus. At East, Mr. Leslie Gilkey directs a boys' homeroom chorus, girls' homeroom chorus, and the A Cappella choir.

The A Cappella choir, in existence since 1949, is a selective group, chosen for music reading ability and voice. This year the choir provided programs for several civic functions besides participating in the Messiah and Spring Choral concerts. It also played a major part in the presentation of **Music Man.**

● Orchestra has been restricted to string instruments the past two years. Reorganization of junior and high school curricula have necessitated some re-adjustment in string instruction. Last September the following orchestra members participated in a music clinic orchestra at Lake Forest College: Jacquelyn White, Allen Gonyo, Norma Niemi, Paula Malachek, Camille Sloan, Steve Porter, and Jari Austin. Most of these same students were members of an All-County Orchestra which rehearsed for six weeks and presented a concert for the Lake County Institute. Four W.T.H.S. wind players who were also members of the All-County Orchestra are Kathy Butkus, Marc Fink, Sandra Gilkey, and Susan Stodola.

Lead Musical Parade at Waukegan High School.

● The band began a new year under the guidance of Mr. Leslie Gilkey and Mr. William Adee, the new assistant. A frosh-soph band was established at West Campus as a training band; the varsity band began by playing at the annual kick-off game, followed by the football and basketball games, including the Regional Tournament. On October 13, the band went to Northern Illinois University in Dekalb to participate in the Annual High School Band Day. Ten high school bands performed during the halftime of a college football game.

The fall concert was highlighted by excerpts from **West Side Story.** The spring concert featured the student conductors, Jim Paul, Marc Fink, and John Waidzunas, who assisted Mr. Leslie Gilkey throughout the year at the games, plus, guest conductor, Mr. Bernard Stiner, director of the grade school band. The annual awards were presented for the outstanding Junior and Senior members and the best Senior Musicianship. The training band performed three numbers with varsity band at each concert. During Easter vacation, the band was busy practicing for contest on April 20 — an event not attended by the WTHS band since 1958.

On November 3, a district festival was held at Northwestern. Of three representatives, Kathy Butkus and Marc Fink were chosen from 600 musicians to participate in the All-State Band, February 8-9; both received first chair on clarinet and oboe respectively.

East and West Campus Students Learn to Speak,

Above, KEEP UP THE GOOD WORK. Miss Doris McKinney discusses Spanish techniques with a student in the East Campus Language Lab.

● The Language Arts Department, chairmaned by Mrs. Melba Wixom and Mrs. Ellen Bay, is comprised of many different and interesting subjects and activities. Among them are the foreign language courses, drama, speech, debate, journalism, and the various English courses taught to all Freshmen, Sophomores, Juniors, and as an elective to Seniors. In the English classes students are taught creative writing, the use of good grammar, and the different forms of literature, while the French, German, Spanish, and Latin classes strive to learn the basic fundamentals of learning to speak a language fluently.

Producing the school play, My Three Angel's, and An Evening of One Act Plays; organizing and conducting speech contests; and playing hosts to debate tournaments are but a few of the many extra-curricular activities sponsored by the Language Arts Department.

Above, TIME FOR DISCUSSION. The students of Mr. Wilbert Heymeyer's sophomore World Civilization II class at West Campus discuss the problems of the day. Students are then given a chance to express their views and opinions of the world around them.

● Students taking social studies are given a chance to express their own individual opinions and ideas. The entire department encourages discussion and class participation.

East Campus offers United States History, Modern European History, Sociology, Economics, and Civics to Junior and Senior students. United States History, a requirement for graduation, is taken during the junior year, unless students desire to take it in summer school. The other courses are elected by many Senior students.

West Campus Freshmen are required to take World Civilization I, this also, is a requirement to be met in order to graduate. World Civilization II is the elective for Sophomores. In both courses students study past history of Europe, Latin America, and the United States, in addition to present political and social situations.

Teachers of the courses strive to build good citizenship in students, who in turn, work hard to rank WTHS Social Studies Department as one of the best.

Below, WHAT DO YOU SAY ABOUT THE CIVIL WAR? Gathered around to discuss the events of the Civil War are students of Mr. Jamie McClendon's third period American History Class. United States History is a required subject for graduation at Waukegan High School.

Math and Science Prepare for Technical Fields

Above, LOOK Linda Philipps, Jim Lichti and Bruce Jacobs, students of Miss Patricia Barker's Biology class, observe the many external parts of the dogfish shark before they begin the disection.

● Learning is the key word in the many fields of both Mathematics and Science. Students at W.T.H.S. have an opportunity to take a full four years in both fields. Students taking Science courses find the subject matter varying from General Science to Physics and Advanced Chemistry. In the Mathematics field students may take courses ranging from General Math to Trigonometry and College Algebra.

Because these fields are very closely linked together, they are both extremely essential to each other. Also, because of the rapid advances in the fields of technology, these courses offered to the high school students, are extremely important in their future.

● The Physical Education Department at both campuses stresses physical fitness, team spirit, co-ordination, self-confidence, and good sportsmanship. To insure each student at WTHS that they will learn these things, the department offers various activities and sports. Each six week period offers new sports for both boys and girls in their classes.

Girls' Physical Education offers swimming, modern and folk dancing, jump rope, recreational games, archery, golf, basketball, track, and volleyball. Boys' Physical Education offers basketball, and other team sports.

During the school year, Sophomore P.E. students also learn the rules and regulations of safe driving in the Driver's Education course, a twelve week course.

To help reach their goal of good physical fitness each student and instructor strives to make our Physical Education Department the best, at both East and West Campus.

● One officer and five non-commissioned officers constitute the ROTC departmental staff. These men are all active duty members of the Army especially selected for this duty. The current staff heads up the only compulsory ROTC program in the State of Illinois. The training and doctrine put forth by these men attempts to prepare students for service and leadership in the community. ROTC training has been in existence at Waukegan under government sponsorship since 1919.

● ROTC training is designed to teach more than marching. Over two thirds of the program is devoted to such subjects as marksmanship, weaponry, map reading, first-aid and personal hygiene, leadership, defense against atomic attack, military organization, tactics and code of conduct of the individual soldier. A third year is offered as an elective subject. Cadets are rewarded for achievement by promotions, medals and ribbons, based on ability and interest.

Below, LEADERSHIP TRAINING. Part of the curriculum of Military III is Leadership. In this connection, Paul Govekar is pictured giving a ten-minute talk while Major Glen E. Brawn looks on. Other subjects taught in Military III include weaponry, marksmanship, map reading and tactics.

This select group of Military students sponsors the Military Ball, participates in Homecoming activities, and supervises the Annual Dental Survey. The purpose of this club is to promote the Reserve Officers Training Corps program throughout the school and community. Members act as leaders for the entire Cadet Corps. The club officers are elected by the entire membership of the group at their first meeting each fall. The Professor of Military Science is the faculty sponsor of this organization.

● The most successful year of competition since the early forties is the only way to describe the 1962-63 marksmanship year. The WTHS Rifle Team was undefeated in shoulder to shoulder competition at this writing. Their 12—0 record was amassed at the expense of some of the best rifle teams in Illinois, Indiana and Wisconsin. In addition to these shoulder to shoulder matches, some 25 Postal Matches were fired against various high schools and military schools in the country. These ranged from New York City on the east coast to Hawaii in the west. Counting these matches, Waukegan has won 28 and lost only 4.

This year's team had many new "firsts" to claim. The first girl member of the group not only fired on the team but was one of the outstanding scorers. The team scored a 960 for the first time in the history of the school. Finally, the individual record was tied by both Scott Sawby and Richard Rivers.

● East Campus art workshop started last fall with election of officers. Elected were Pat Stober, president; Tari Rivett, vice-president; Joan Sainio, secretary; and Gunilla Breniser, treasurer. The Club meets on Wednesday nights after school. Every student chooses his own project and continues to work on it, under the supervision of Everett P. Misunas. Interested and talented students are allowed to work on their own. As a club these students worked for various teachers and on community projects. Art Club also handles information as to different art scholarships and art contests. This year proved to be both interesting and prosperous.

● Mr. Seppo Aarnos has started a "Studio for Independent Artists" at West Campus. The club was open to Freshman or Sophomore students who had a grade average of "B" or better. It offered an opportunity for participating students to explore art areas in which they had a personal interest with the aid of various methods and media.

The studio members had an opportunity to show their creations at a Student Art Exhibit on May 11th in the West Campus auditorium during a philharmonic concert. The studio group meets every Wednesday after school in room 133.

This past year we have taken a trip to Milwaukee and have visited two of the hospitals there. At Rec Night we had a concession table filled with cakes, cookies, and candy.

The biggest project of the year was the selling of Waukegan Pennants, and basketball programs. These were enjoyed by both the students and faculty.

This year has been full of new discoveries for girls interested in the field of nursing, and the years to come will bring enjoyment while looking back to the years 1962 and 1963.

● Hola, Amigos! Welcome to the East Campus Spanish Club, under the direction of Mr. Joseph Micka. Its purpose is to further the members' interest in the Spanish language, people, and customs. Students who have studied Spanish, are studying it now, or anyone of Spanish extraction is eligible for membership.

The club enjoyed a progessive dinner party in November. Passing from house to house, the members sampled Spanish and Mexican cuisine. Spanish Christmas cards were sold during the holidays.

One of the club's main activities was publishing a Spanish song-book which included popular and traditional songs. Another publication was a Spanish Magazine of stories and humorous articles.

The G.A.A. members are also in charge of many social activities throughout the season. The year was started in the fall with the welcome picnic, followed by the co-sponsorship of homecoming. The sponsors, council members, and committee members spent long, hard hours working on the float and at Weiss Field in order to make homecoming a success.

The year was climaxed by a banquet at which next years officers were announced, the senior girls and retiring officers were honored, and many were given awards.

All these competitive sports and various social activities teach good sportsmanship, team work, and also help the girls to become healthy young women.

● The 1962-63 Parents' Club Program was launched with the annual Kick-off Nite pre-season inter-squad football game. In the past it has been customary to dedicate the first football game of the season to the dads. This year, however, the Parents' Club appropriately dedicated the Thornton game to the Parents, as the mothers are equally enthusiastic in their support of our teams.

The Globe Trotter basketball game came up to all expectations, both from the entertainment and financial standpoint. The sports award nights were the highlight of the 1962-1963 season featuring such notable sport celebrities as Ray Meyer, Basketball Coach at DePaul University and Pete Elliott, Football Coach at the University of Illinois. Again the Parents' Club lent its support in making the athletic program a success.

Tough Bulldogs Display a Real Stout Defense

● The 1962 Waukegan Bulldogs finished 5th in the tough Suburban League. Their record of 4—3—1 doesn't really indicate the capibilities of the Bulldogs. It has been said that on a given day the Bulldogs could have defeated any team in the League, including No. 1 rated, Evanston. Waukegan was given a solid chance to upset the Wildkits, but Evanston played their best game of the season, while Waukegan their worst, and the score ended 34—6.

Throughout the season Waukegan showed a fine defense by not losing more than once by 7 points. The defense was paced by Willie Smith, named All Suburban Guard and given honorable mention is All State Selections. He also had the fine help of end Larry Owen; linebacker Dick Drobnick; and safety Don Smrtnik.

Waukegan's offense was headed by quarterback, Lauri Hakanen, named second team All Suburgan and given honorable mention in All State Selections. Also doing a fine job this year were end George Lambie; and end Steve Bay; guard Joe Smith; center Larry Spiers; tackle Tom Stover; halfback Ted Demkiw; halfback Winfrey Madison.

Below, UP THE MIDDLE goes Steve Bay as the Bulldogs near the Nile goal. Waukegan wiped up Niles by a score of 38 to 7.

● The 1962 Varsity Harriers didn't fare too well in winning twice all season. The team was really better than what the record shows. This is due to the fact that they lost a few meets by only one point, and also, they were up against some of the toughest competition in the state. The outlook for 1963 looks promising, because the remarkable sophomores went through the season unbeaten and untied. Lee Clark, who was never beaten, was the top runner for the Sophomores. The underclassman will undoubtedly help the Varsity next year. The mainstay for the 1962 Varsity was Wayne Engstrom. Other top runners were Terry Lauret, Harold Edwards, and Bill Laurie.

● They did it again! For the third time in five years the Bulldogs battled their way to the Sweet Sixteen. Near the start of the season, Coach Miller's boys were rated 5th in the state, but their lack of consistency and a second place finish in the Suburban League dropped them from the ratings. Then midway through the regional, the Bulldogs started moving. After squeaking by a weak North Chicago team, 43—38, in an overtime, they knocked off a highly rated Lake Forest team, 52—44. The next night in the finals against New Trier, to whom they had lost two previous tilts, the Bulldogs dominated the ball, the boards, and the score, and upset the Indians 57—44. In the first game of the sectional, the rimsters edged out a determined Maine West team 43—40. The finals proved to be just as close, as the Bulldogs turned back a 4th quarter rally by the Elgin Maroons 54—53. In the super sectional game with the eventual State Champions, Carver, the 8th rated Bulldogs lack of height proved to be fatal. The Bulldogs kept up through the first half, but the Challengers pulled away to a 54—41 victory.

● Unbeatable is the only way you could describe the Waukegan wrestling team this year. They not only won every dual meet, but also every tournament including the state championship.

The Baymen, while winning every tournament, set two new records. One of these records was in the district where they scored 139 points and smashed the old record by 35 points. The other record was set in the state tournament when they broke the old record of 63 points by one point.

Leading the way for the matmen was captain Steve Bay, who went undefeated through the entire season and took the state title at 138. Also winning individual titles were 145 pounder Dan Fox, 165 pounder Rodger Garross, and 180 pounder Joe Smith. Bob Loffredo and Winfrey Madison took third and fourth place respectively. Head coach Ott Bay and assistant coach Jim Kruempelstaeder said this was the best team they ever had.

● The loss of several top swimmers thru graduation severely handicapped this year's team. Though the Waukegan Mermen did set several new school records, the team didn't do as well as coach Tom Jacobson had anticipated. Jerry Law set new records in the 50-yard free style and the 200 yard individual medley. Bruce Johnson set a record in the 100 yard breaststroke, and the relay team, composed of Jerry Law, Jens Wendt, Pete Wendt, and Don Gieger, set a new record in the 200 yard free-style. These boys, along with Bob Preston, and John Pederson, were the backbone of this year's team and will be a deciding factor in 1964. The Seniors who turned in the top performances were Jens Wendt, Larry Leicht and Dave Osborne.

● The aim of the Intramural program at W.T.H.S. is to reach boys who cannot make our interscholastic teams with some type of healthful physical activity. Intramural competitives are primarily for the contestants themselves. It is a general sports' program and not designed to be selective or to challenge the more proficient students in athletics.

Teams are chosen from the physical education classes and they play their games between boys of the same class level. A program set up like this will give more boys a chance to compete against students of their own ability. Our program in the fall consists of touch football and volleyball; the winter program of bowling, basketball, table tennis, free throw shooting, badminton, and swimming. Softball, track, golf, and tennis complete the program in the spring. This year at East Campus we had sixteen junior and twelve senior basketball teams. Awards were given to all members of a championship team and to those winning 1st and 2nd individual sports. Mr. Homer Hankensen is faculty director of the Intramural program.

Some of these were Mike Simon, Mike Winston, and John Waidzunas, singles players; Greg Crawford and Chris Rodbro, doubles players. Jerry Beger earned the right to compete in the State finals by finishing second in the district.

The sophomores proved to be stiff opposition as they came out with a winning season, also. Two of the better players who will help the Varsity in coming years will be John Montgomery and Richard Edwards.

● The 1962 track team came through the season with a 5 and 1 record in dual meets. In the special meets, Waukegan also seem to be an efficient team as they finished third in the Suburban League Meet and eighth in the State Meet. Some of the toughest opposition Waukegan put up was in the four man relay team composed of Fred Pelley, Bruce Bell, Charlie Brown, and Freddy Washington.

The fast improving indoor track at West Campus is proving to be a great help in preparing the trackmen for the outdoor season. The indoor track season starts in February and carries through until the spring. As the track facilities become better and better, the future track teams at Waukegan will undoubtably improve.

HERE, BOB BILLBERG shows how he made those long, long throws with the discus.

OUR 880 RELAY TEAM, composed of Fred Pelley, Bruce Bell, Chuck Brown, and Fred Washington, was one of the mainstays in last year's track team.

● It was a rebuilding year for the 1962 Bulldogs. Most of the time the starting nine consisted of seven to nine juniors. The squad of 1963 will try to improve the 6—11 record and the seventh place finish in the Suburban League of 1963. Three of Waukegan's league wins were at the expense of the top three teams in the league. One of these was Morton, a team which Waukegan hadn't beaten for the past four years. Among the squad were three all-area players, second baseman Frank Chess, outfielder Dan Palmer, and catcher Larry Hagg. Coach Ted Damos has high hopes for 1963, with his returning lettermen and some fine prospects up from the sophomore team. This combination promised to make 1963 a very interesting and possibly a title winning year.

BASEBALL STAR. Taking the throw from third to retire the side is first baseman Dave Kaufman.

SLUGGER BOY. Sending out a long drive is Dan Palmer who proved to be a long ball hitter as well as a fine pitcher.

Business and Industry Show Interest in WTHS

● Without the support and cooperation of the local businesses and industries, those of us who are endeavoring to prepare ourselves for tomorrow's leadership could do nothing. The Annual "W" staff wishes to thank sincerely its advertisers for showing their faith in W.T.H.S. They assisted in the publication of our yearbook, the story of the past school year in, "EAST and WEST SIDE STORY." many of us will choose to remain in our city, to enter into the businesses and industrial activities of Waukegan and North Chicago.

WHAT MAKES WAUKEGAN TICK?

Last year Members of Waukegan's World Civilization II Class studied local government problems through the pages of The Waukegan News-Sun. It was an experiment in understanding their community through the one medium that is read by almost all literate adults in the community.

If students can be encouraged to read the newspaper more thoroughly, more deeply at the high school level, The News-Sun believes they will be better readers and better informed citizens when they assume their adult responsibilities.

Making newspapers available to the classroom is one way The Waukegan News-Sun joins the schools in the challenging task of better teaching. It is one of many ways The Waukegan News-Sun serves the school and the community.

The Purple and the Gold

Hail, Waukegan High! Hail, Waukegan High!
How grandly rings your name,
With fervor, joy and loyalty
As it wings its way to fame.
In our school we climb the ladder
Four years of constant stress,
Every task that we can conquer
A step upward to success.
Hooray, Hoorah, rah, rah, rah, Waukegan!
Hooray, Hoorah, rah, rah, rah, Waukegan!
Whistle, — Boom!
Hail, Waukegan High! Hail, Waukegan High!
We will ever praise our honored school,
Her worth can ne'er be told
Hail, Waukegan High! Hail, Waukegan High!
From your mantled walls in ivy clad
'Neath the Purple and Gold

Words by Jesse Strang, 1926
Music by Otto E. Graham.

Waukegan's Victory Song

Hail, to the Purple! Hail, to the Gold!
Fling high our colors, our standard of old.
Cheer for our Heroes! Cheer for our Team!
Let our proud banner in its glory gleam.
Fighting for Honor! Fighting for Fame!
Our goal is vict'ry! On with the game!
Cheering our warriors, Vict'ry we cry!
Fight, fellows, fight, Fight for Waukegan High.

Words and music by Otto E. Graham
